

REMARKS

Claims 1-4, 6-16, 18, and 19 remain in the application.

Claims 1-4, 6-16, and 18-19 stand rejected under 35 U.S.C. 101 as claiming the same invention as that of claims 1-19 of co-pending US application No. 10/595,379.

It is respectfully submitted that the rejection is improper due to USPTO error and the claims should be deemed allowable.

According to the records of the USPTO as shown in the Electronic Acknowledgement Receipt appended hereto as Exhibit A, US Patent Application Number 10/595,379 is an invention by Thomas Stoneman entitled "Apparatus and Method to Simultaneously Clean and Inspect Conduits". Clearly the invention of 10/595,379 is unrelated to the present invention.

In addition, if one looks at U.S. Patent Publication No. 2007-0067298, the inventor information and serial number refer to the Stoneham invention **BUT** the specification and drawings are Applicants' patent application. The Examiner found double patenting when comparing Applicants' application incorrectly filed by the USPTO under 10/595,379 with Applicants' application under 10/828,575. The USPTO clearly erroneously filed Applicants' application under another serial number (10/595,379). Hence, there cannot be double patenting of Applicants' claims with the claims of the incorrectly published 10/595,379 application.

Therefore, the rejection of claims 1-4, 6-16, and 18-19 under 35 U.S.C. 101 must be removed and the claims should be deemed allowable.

Reexamination, reconsideration and allowance of claims 1-4, 6-16, 18 and 19 remaining in the application are respectfully requested.

Authorization is hereby given to charge Deposit Account No. 02-1822 the fee due under 37 CFR 1.17(a) of \$490.00 for a two (2) month extension of the time to reply to the Office Action.

Respectfully submitted,
/Philip J. Feig Reg. No. 27328/

Ashley,

There is a new amendment on the R-drive for 1566. The amendment can be filed with a TWO month extension. Before filing the amendment, the file labeled 10595379[1].pdf on the R-drive includes two pages entitled "Electronic Acknowledgement Receipt". Please write "Exhibit A" on the top of the first page and scan the two page EAR with the amendment for filing.

Another one bites the dust.
